2. Children 11 and under left unattended in any part of the facility will be placed in the day care by HSAC staff. As a result, parents will be charged the appropriate fee.
3. Parents are expected to be in the facility while their children are in the Kids' Zone. If you leave for an "outside" workout, the staff

must be notified of your intentions. Maximum stay is 1.5 hours for infants and 2 hours for all other children.

- b. If a parent drops off their child and wants their spouse or relative to pick them up, written permission will be needed on the sign-in sheet. A picture ID will be required to verify the spouse's or relative's identity.

5. Well Child Policy

For the protection of other children and staff as well as your own child, please do not ask us to care for your child if he/she is ill. Our personnel reserve the right to refuse admittance of any child into our center on any given day. For our purposes, we define "ill" as a child who has:

- b. diarrhea or nausea
- c. discharge from eyes, or a profuse nasal discharge
- d. a contagious disease (pink eye, or a rash of any sort)

6. Behavior/Discipline

Caregivers need to set limits so that your child and other children can learn respect for things and people in their environment while at HSAC. Giving children choices is a helpful tool for caregivers in setting limits; we will do this by redirection. Consistent limits reduce the need to test rules and it also makes the caregiver's job easier. Children that are disrespectful and are disruptive while at the Kids' Zone will not be readmitted once notification is given to the parent or guardian. We reserve the right to refuse to admit repeatedly disruptive children.

7. Personal Items

- a. Please label all belongings such as bottles, diapers, food, bags, and clothes. This helps us monitor articles effectively.

- b. Diapers. HSAC does not supply diapers. Please provide extra diapers for your child's comfort.
- c. Snacks. Children may bring their own snacks and beverages. However, if our staff is busy when you come in and your child needs to be set up for their snack, we ask that you set the snack up before you leave. These snacks must require little or no supervision. To ensure the safety of all children; nuts, hard candy, popcorn, hot dogs, and gum are not allowed in the Kids' Zone.
