

# HARBOR SQUARE JUNIOR TENNIS

## WINTER LEAGUE 2019

The winter tennis league is a league for junior tennis players that runs from January through February. Andy Jansen will run the practices and the matches. This year we will run the entire league at harbor square. In past years we have run it through the USTA and had home and away matches. This year all matches will be at harbor square and there will be no court fees or need to be a USTA member.

Matches and practices will primarily be on Sundays. There will be some practices/matches on Friday nights. This year there will be more Friday night matches due to court availability. For those of you that have participated before, you will get as many or more opportunities in 2 months as you used to in the 3 month season. When signing up, requests for doubles partners and singles competition will be noted. Participation in this league is VITAL to the development of our juniors match play skills. The emphasis is on match play and how to perform better in competition.

This year, there will not be set teams other than doubles partnerships. Matches will be set up with a certain number of participants and a round robin format. Our goal is to get as much matchplay as possible. Matches and/or practices will be 1.5-2 hours long and on Sundays and some Friday nights. Matches and practices will be a mixture of levels and include boys and girls. ALL CORRESPONDENCE WILL BE VIA EMAIL. My email is [jansentennis@comcast.net](mailto:jansentennis@comcast.net).

Cost is \$350/member and \$375/non-member. I am very excited to run the league in-house this year and be able to oversee every match and practice. This will help ensure that the kids get more match time and are playing the proper level of competition. Practices/matches will begin on January 4<sup>th</sup>. I strongly recommend participating in this league to enhance each juniors standing on their respective high school teams!!!!!!!!!!!!!!!!!!!!!!

**To sign up, just email Andy Jansen at [jansentennis@comcast.net](mailto:jansentennis@comcast.net) or sign up at the Harbor Square front desk. Also feel free to email Andy with any questions.**
