

How to Download the NEW HSAC App

TO BEGIN

Download the app from either (click on the icon for a direct link):

Google Play

Apple App Store

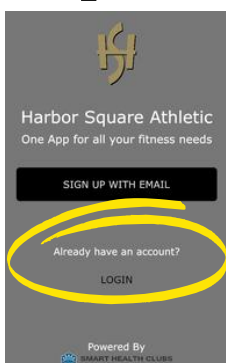

Now that you've downloaded the app, you're ready!

Step 1

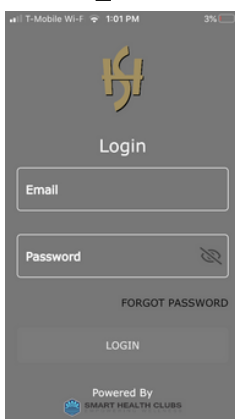

Launch the app by clicking on it
Be sure to use your email associated with your HSAC account. If you do not have an email in the system, you may contact the front desk for more help.

Step 2

On the login screen, click "login"
If you received an email from SmartHealthClub, you're already registered with the app so you DO NOT need to "Sign up with email."

Step 3

Enter your email and the temporary password you received from SmartHealthClub and click LOGIN

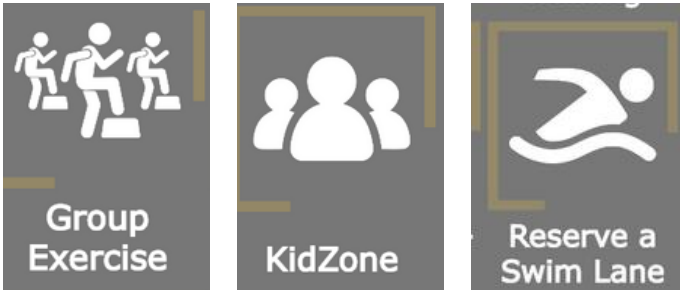

You will be prompted to enter a new, permanent password

Now You Are Ready!
